

WACO STRIDER NEWSLETTER

APRIL 2005

Strider In The Spotlight

This month's Strider in the Spotlight is Allen Miller. Allen has been running for about twenty years. His favorite course is his neighborhood and he enjoys swimming at the YMCA. His favorite race is the Symphony 6000. Favorite shoes - Brooks. Best advice - start slow finish fast. Allen's grandson, Griffin Peevey, is a Strider. You don't see a grandfather/grandson running many 5K or Cross Country races together, pretty cool. We hope to see a lot of you two in our future race events. Allen brings a lot of experience and good advice to our club. Allen is always at our Strider Meetings sharing ideas and giving positive input on how to better our running club. The Waco Striders are glad you are a member. I hope 2005 is one of your best running years ever.

Race Results

Just a reminder about race results. We all like to review the results of that last race we did. I know how important that is to a lot of you. I make every effort to get the results posted to our website as soon as I receive them, which is no problem if it is a Waco Strider event (which would be a Brazos Series Race). On the other hand, if it is not a Brazos Series Race, we have no control of over obtaining results of that particular event. We have a lot of race events listed on our website that are not Brazos Series events (noted with * beside the race). We post other race events on our website as a service to our members as well as race results. But remember we have no control of the race results from these events that are not Brazos Series events. I will post these results as soon as someone makes them available. You can get the results for the Zoo Run and the Race For The Cure from the website

Upcoming Races In April:

Cameron Park Duathlon - April 23rd

Hillcrest Best Dam Run In Texas - April 30th

Strider Picnic

The Waco Striders are having a picnic and fun run Saturday, June 2nd (providing no races are taking place that day). We plan on having a 5K prediction race, games and food. The run will start at 10am, food around noon, followed by a few outdoor games. This will take place out at Pete and Marsha's new place. I understand it is kind of out in the country, a great spot for a fun run/walk and picnic. A prediction 5K is a race where the runner predicts their time and takes off their watches to run. The one who crosses the finish line closest to their predicted time wins. I really hope you plan on making this event. I think we all will have a good time and it will give us chance to get to share some ideas for future events. More information to follow in May's Newsletter.

Group runs

We have a change in the Wednesday group run. We will meet at the Pecan Bottoms at 5:30pm on Wednesdays instead of at the Suspension Bridge. We will now have plenty of daylight to enjoy the trails.

Thursdays we have a group work out at Rice Field by Midway High School for Speed work on the Track. This is a great way to improve your race times. The group meets at 5pm.

Tuesday runs will be changed to Wednesdays beginning April 27th. I hope to see you there.

New Race

At the last Strider meeting, we decided to have a Cross Country race at Cameron Park on the trails. It will be similar to our annual Cross Country Race that was held in February. It will take place October 1, 2005. The race will be a 5 and 2 mile course. Mark your calendar this will be a lot of fun. More details to follow.

Run For Hope

I'd like to say thanks to the organizers of the Run for Hope. It was a fun race and the course was well marked with plenty of volunteers giving directions and encouragement to the runners. The awards and tee shirts were nice and running though Baylor campus is always fun. I believe everyone will look forward to doing this event next year.

Upcoming Brazos Series Races

*Waco Police Assn. Memorial Run - May 14, 2005

*Practice for the Polish Pickle Run - May 21, 2005

*Prairie Chapel Run - May 28, 2005
